The screenshot shows the Africa Energy Portal (AEP) website. The header includes the AEP logo and navigation links: ABOUT AEP, FOCUS AREAS, DATA & STATISTICS, PROJECTS & INVESTMENTS, PUBLICATIONS, NEWS & EVENTS, BLOGS, CONTACT. A search bar is located in the top right. The main content area features a large banner with the text "Required annual investments to reach universal access to electricity by 2025 USD 29 billion". Below this, there are sections for "UTILITIES" and "DISTRIBUTION" with sub-headers like "Electricity Distribution and Sale Utilities in Africa" and "Mini-grids 'outside-in' electrification". A central graphic reads "SUCCESSFUL COUNTRIES SUPPORT AN 'OUT-DE-IN' APPROACH". To the right, there are "COUNTRY PROFILES" for Benin and "PROJECTS & INVESTMENTS" with sub-sections: DETAILS OF RFP, PROJECTS, LIST OF PROJECT DEVELOPERS IN AFRICA, and ENERGY FINANCING TRENDS. A row of logos for AEP partners is shown below, including ESMAP, IHS: Africa, SAPP, EAC, ECOWAS REGIONAL ELECTRICITY REGULATORY AUTHORITY, and the African Energy Commission (AEC). At the bottom, there is an "Explore Data" section with a search bar and a timeline from 1992 to 2018.

The graphic features a light gray background with a white geometric pattern. On the left, the text "EU EXTERNAL INVESTMENT PLAN" is written in large, bold, purple letters. On the right, a dark gray box contains the text "EFSD Guarantee Priority Area" in white, and below it, "Sustainable energy and connectivity" in white and blue.

Debate:

*How to enhance successful partnerships
between the private sector
and development institutions?*
